Editorial Notes

(by S.M.)

I MUST RETURN to my recent comments about attendances, with the following figures for Craven Park, since we topped the "4,000 mark":
80/81 (1D): 4065 (+922).
81/82 (1D): 4162 (+97).
82/83 (1D): 3852 (-310).
83/84 (2D): 3218 (-634). 84/85 (1D): 2728 (-490).
and 85/86 (2D): 1926 (-802). Hence the decrease over the past four seasons has been a staggering 2,236.

NO DOUBT the unavoidable delay over the Duke St. stand has been one cause, but there must be others. Team-building has been expensive, much has been spent on the pitch, safety requirements and amenities. What puzzles me is the lack of critical letters from earlier anonymous writers. Do, please, let me have your views, however critical, and I promise that these will be passed on to the Board.

A VERY DEAR PINT was reported last week which concerns tonight's visitors. After losing the match 48 - 10, it seems that the Runcorn treasurer was in need of refreshment on his way to the bank with £5,800 gate receipts. Unfortunately he foolishly left the cash in his car, instead of taking it with him - you can guess what happened, if you don't know. To add salt to his wounds the name of the pub was — "The Sportsman"! !

THOSE OF YOU who are members of the unofficial Steve Tickle Fan Club, like myself, but do not see "Open Rugby", are advised to obtain the September copy. There is a splendid full-page article on Steve, which is well worth reading, and this periodical can be recommended for excellent coverage at all times — at reasonable cost to the real R.L. fan.

BARROW v WIDNES

2nd Round Grunhalls Lager Lancashire Cup

Wednesday, 24th September, 1986.

Kick Off 7.30 p.m.

THIS EVENING WE WELCOME our friends from Naughton Park - hoping their journey here has been a pleasant one, and that the return trip will be uneventful, regardless of the result.

IT MAY SURPRISE MANY FANS, both home and away, that the results against our visitors since the war, in trophy only, give us a slight edge. Included are four two-leg rounds, and I must admit that, until I had checked the record, I believed otherwise. Barrow scores first:-

Ch. Cup	Home	(P)	2	(W)	1	(L)	1	(Pts)	19 - 17
	Away		3		1		1		
					(+D)1				23 - 21
L/Cup	Home		3		3		0		53 - 8
	Away		6		1		5		52 - 97
	N.		1		1		0		12 - 8
B.B.C.2	Home		2		1		1		16 - 18
	Away		1		0		1		13 - 15
Totals:	Home	(P)	7	(W)	5(D) 0	(L)2	(Pts)	88 - 43	
	Away		10		2(D) 1	(L) 7		88 - 133	
	N		1		1(D) 0	(L) 0		12 - 8	
			18		8(D) 1	9		188 - 184	

HOWEVER THERE IS NO DOUBT that the "Chemicals" deserve their title of "Cup Kings" in recent seasons, having picked up a trophy on fourteen occasions and been runners-up no less than twelve times - a formidable record, as their list of honours proves.

The Barrow player of the match award for today's game has been sponsored by *Air Furness, your local Air Line*. The Match-Ball sponsor is **Paul Shaw**, Tobacco Wholesaler, 46 Market Street, Ulverston. We extend our grateful appreciation for this very welcome financial support.

"KELLAND'S KORNER"

WITH A RECORD OF SEVEN Lancashire Cup Final appearances in the last 12 years, Widnes will surely be a tough nut to crack in tonight's second round clash. Leading their charge tonight will be one of the most powerful forwards in the world. Big New Zealand **Kurt Sorenson** the front rower causing us no end of problems at Widnes a fortnight ago. They also have an Aussie, in the shape of hooker **Phil McKenzie**, and believe me this fellow is also something special. He did a lot of damage against us from acting half-back last season when playing for Rochdale and did a similar job for Widnes in our league game. Widnes are not without the best of British also, **John Fieldhouse** being a notable name, the big number ten being **Maurice Bamford**'s star man against the Kiwis in the last Test Series. I am however keeping my fingers crossed that their Great Britain stand off, **Tony Myler**, has still not arrived back from Balmain for tonight's clash.

BUT THAT'S ENOUGH of Widnes, after all we were in with a shout in the league game at Naughton Park, so I'm sure we are going to compete tonight on our own ground and let's hope for the correct result for further progress.

I WOULD LIKE TO MENTION **FRANK GRIFFIN**, who died so suddenly last week at the age of 52, and was a former Barrow and Widnes player; he also had spells with Wigan and Liverpool City. Frank, joined Barrow around the 1960 mark and was an outstanding footballer who operated both in the second row or at loose forward. Barrow never saw the best of Frank because of a serious knee injury that ended his career early. I remember making my debut for Barrow in 1961 and it was Frank who led our pack on that occasion against a powerful New Zealand touring side, **Munga Emery** being their star performer in those days.

The Barrow line up that day was: **DAWES, BURGESS, WOOKEY, WOOLVERIDGE, PIKOLI, SKEELS, FALLON, KELLAND, JIM WILSON, CAMPBELL, SMALES, GRIFFIN** and **DONALD WILSON**, but I don't think Frank was too impressed with our performance as we were crushed 36 - 11.

BACK TO OUR PRESENT TEAM — I would like to mention **DAVID CAIRNS**, I feel the little fellow is due another chance on the International scene as his form so far this season has been outstanding and I'm sure that all the sides we have faced would support my opinion.

Ivor Kelland

News Release:

GRUNHALLE LAGER LANCASHIRE CUP.

Record breaking St Helens entertain neighbours Warrington in the "tie-of-the-round" in the quarter final of the Grunhalle Lager Lancashire RL Cup. That's Saints reward after blitzing second division Carlisle 112-0 in the first round.

The full quarter final draw, ties to be played today, is: Barrow v Widnes, Oldham v Workington Town, St Helens v Warrington, Wigan v Whitehaven.

St Helens, who have scored 240 points in four opening wins this season, re-wrote the record books against the luckless Cumbrians - thrashed 72 - 8 in the Lancashire Cup at Knowsley Road last season. Saints piled up a mammoth 20 tries and 16 goals with 20-year-old centre Paul Loughlin setting two club records. His 16 goal tally and 40 point haul were both best efforts for Saints. The win was the biggest in Saints 91 year history — beating the 73-0 win over Wardley in 1923-24. Not surprisingly the victory was also the highest ever in the Lancashire Cup and only seven short of the all-time record — a 119-2 win by Huddersfield against now defunct amateurs Swinton Park in the Challenge Cup on February 28, 1914.

Holders Wigan are still the favourites after thrashing Rochdale Hornets 52 - 0 to book a home tie against another second division outfit, Whitehaven.

Wigan have won the trophy a record 17 times but it's 28 years since Oldham last tasted Lancashire Cup glory.

Widnes secretary Ron Close said after the away draw at Barrow: "We beat the Cumbrian side 26 - 14 on September 7 but it's the strongest Barrow team I've seen for many years — it won't be easy."

GRUNHALLE LAGER, brewed and sold in the North West by Greenall Whitley are contest sponsors.

Widnes Pen Pictures

MICK BURKE Age 27, signed May 1978 from Waterloo R.U. Club and broke the Widnes record for goals and points in his first season as a professional. He is a seasoned International and a Lance Todd Trophy winner. Is now approaching 300 games for Widnes and has kicked over 700 goals.

ANDREW CURRIER Still only 20 years old, this powerfully built wingman signed from local amateur club Halton Hornets in June 1982, and has earned G.B. Under 21 honours. Very fast and elusive he is a frequent try scorer in any class of rugby, averaging a try every other game.

STUART WRIGHT The veteran of the side at 36, and now celebrating a well earned testimonial season, having signed from Wigan in 1976 for £11,000. Has crossed for over 250 tries in a distinguished career that has won him many International caps. Injury has interrupted his career though never defeated it, his bravery showing in returning to the game after dislocating his shoulder several times.

DARREN WRIGHT Another youngster, aged only 18 who having come into the side mid-way through last season has impressed immensely and is now on the fringe of International selection. Signed in March 1985 from Leigh Miners Welfare he is a strong running 6' centre with tremendous ability.

BARRY DOWD Signed from Halton Hornets A.R.L.C. in October 1982, and after serving his apprenticeship in the "A" team, is now endeavouring to make a first team spot his own. A classy player of deceptive speed, he is a name to be looked for in future seasons.

JOHN GILBERT Signed just after last season's cup deadline from Featherstone Rovers for a £35,000 fee, he played only a handful of games for the Chemics last term due to injury. Age 28 his experience should prove invaluable to the young Widnes back division.

JOHN BASNETT Age 29, signed from New Brighton R.U.F.C. in April 1981, and has always been a popular player amongst the Widnes fans. Is a frequent try scorer having scored over 80 touch downs from twice as many games. A Great Britain tourist, he now resides in Yorkshire and is a prominent member of the powerful chemics three-quarters.

TONY MYLER Aged 26, signed from Widnes R.U.F.C. in December 1978 and is currently a key member of the Great Britain International side. A player of tremendous ability and one of the few who can turn a game inside out within the space of minutes. Recently guested in Australia for Balmain, and he too is a regular try scorer.

DAVID HULME Another local product, this 22 year old signed from Halton Hornets A.R.L.C. in February 1981, and made a quick impact on the game. Is extremely quick off the mark and equally at home in either half back position. A former Great Britain Colts player and toured Australia with them in 1982.

KURT SORENCEN Widely regarded as one of the finest forwards in world rugby today. In his second season with Widnes, having previously played for Wigan eight seasons ago. A fiery forward who never knows when he is beaten, his experience and enthusiasm should produce a steady influence on the Widnes pack.

THE BAVARIAN WAY

PHIL McKENZIE Came to these shores last season when he joined Rochdale Hornets from Irrawallda. Made a sensational start to his career in England and was soon snapped up by Widnes. A dynamic player and specialist hooker, he is exceptionally quick and the scorer of many fine tries.

STEVE O'NEILL Age 28 and was signed from Wigan, in October 1981, though he is a native of Widnes. Recently returned after suffering a sickening injury at Wigan last September and all in the game wish him well. A solid scrummager who always gives a full 80 minutes effort, and he too is a full International as are so many of his colleagues.

ANDREW RUANE Age 25, signed from Ditton Y.C. Tigers in July 1980, and for several seasons was understudy to Keith Elwell. Has now played over 40 first team games, though was recently put on the transfer at his own request at a fee of £15,000.

MIKE O'NEILL Age 25 and was signed in November 1977 from local club Widnes Tigers. Brother to Steve and he too is a seasoned International player, having toured Australia. A formidable front or second row forward he has also over 250 first team games to his credit.

JOHN MYLER Age 27 and has been at Naughton Park for nine seasons. he is the brother of Tony and is widely regarded as a fine utility player, equally at home at half back or at loose forward. Has played over 200 games for Widnes scoring 30 tries.

JOHN FIELDHOUSE Age 24, and signed from Warrington in January 1985 in a deal which took Andy Gregory to Wilderspool. Although better known as a second row forward he performed magnificently in the front row during last seasons campaign against the Kiwis and won the Great Britain man of the series award.

PAUL HULME Just 20 years old, and proving to be a very talented player indeed. Signed in 1983 from Halton Hornets A.R.L.C. as a scrum half, but has forced his way into the first team at second row or loose forward. A gutsy performer, he is as 'tough as old boots' and should have a very distinguished career in front of him.

RICHARD EYRES Age 21, signed from Widnes Tigers in August 1984, and after only a handful of "A" team games forced his way into the first team and has played over 60 games scoring 15 tries.

Rothmans Rugby League Yearbook 1986/87.

Raymond Fletcher and David Howes.

All-conquering Australia are spotlighted in the new ROTHMANS RUGBY LEAGUE YEARBOOK to celebrate this autumn's tour of Britain by the 1986 Kangaroos.

A special green-and-gold chapter in the sixth edition of world Rugby League's top reference book features a host of statistics published in Britain for the first time, highlighting:

- Every Australian Test result, plus date and venue
- A 20 year review of Australian Test line-ups and scorers
- A 20 year review of Australia's playing register for Tests, World Cups and tours
- An analysis of the fifteen Kangaroo tours of Britain since 1908, including results, attendances, appearances and scorers
- Australia's tour record in New Zealand and France, tour squads to New Zealand and World Cup teams.

The 13-a-side's bestselling annual also provides a first-time showcase for a diary of historical landmarks, a compilation of round-by-round results to commemorate the fifteenth anniversary of the John Player Special Trophy, the history of the amateurs in the Challenge Cup and a chronicle of the 1985 Kiwi tour.

A traditional feature of the ROTHMANS RUGBY LEAGUE YEARBOOK format is the most comprehensive and accurate compilation of statistics for the past campaign, the annual update of the club scene backed up by a season's review of competitions, records, coaches, awards, referees, disciplinary findings, sponsorship, plus the Alliance and Colts set-ups. Fixtures for the 1986/87 season cover the Kangaroo tours, the Stones Bitter Championship and the Second Division.

Illustrated with 115 photographs, the ROTHMANS RUGBY LEAGUE YEARBOOK is compiled by Raymond Fletcher, from the YORKSHIRE POST, and Rugby League P.R.O. David Howes. It is available from all good bookshops (£14.95 hardback; £9.95 paperback) or by post + £1.00 postage and packing from the Public Relations Dept., Rugby Football League, 180 Chapeltown Road, Leeds LS7 4HT.
